Editors' Code under review

The Editors' Code of Practice Committee, which writes and revises the voluntary code of standards overseen by the Press Complaints Commission, is undertaking its annual review of the Code.

Suggestions are welcome from the public, civil society and the industry on how the Code might be revised to improve the system of self-regulation of the UK press.

Editors of newspapers and magazines are particularly invited to help prompt responses where possible by publicising the review in a news item or a [reader's letter](#), online or in print, or both.

Suggestions for Code amendments should be sent as soon as possible, but no later than 21 January, 2011 to:

**Ian Beales, Code Committee Secretary,
PO Box 235, Stonehouse, Glos
GL10 3UF.**

Or by email to: ianbeales@mac.com
