Editors' Code of Practice Committee – Special Meeting

The Editors' Code of Practice Committee is to hold a special meeting next Wednesday, December 5 to discuss its response to the Leveson Report.

Code Committee Chairman Paul Dacre said last night: 'Lord Justice Leveson has set us a number of challenges: our task is to address them as urgently as possible. We very much hope Wednesday's meeting will lay the framework for a fresh approach to the Editors' Code which will answer concerns raised during the Inquiry.'
